MANCINO'S BAKERY

Mancino's Grinder Bread is Rolled out by hand & Baked from Scratch daily! Our Grinder Bread, Pizza Crusts, Bread Sticks and Pretzel Bites are all made on-site!

While most of Eau Claire is still sleeping, our Bakers are filling the Hobart Mixer Bowl with fresh flour and the ingredients from our 100 year old bread recipe. Our Unique Grinder Bread is mixed, cut, weighed, rolled into dough balls, hand rolled to Grinder length "snakes", panned, scored, proofed, baked and sliced fresh daily.

If we took all the Grinder Bread that we have rolled out by hand in the first 25 years of Mancino's, and we lined them up from end-to-end, the grinder buns would stretch from Eau Claire to New York City.

All Our Meats and Veggies are also sliced fresh daily by our Mancino's crew.

MANCINO'S HISTORY

Mancino's Grinders & Pizza of Eau Claire is locally owned and operated. Our Family purchased the recipes from the Mancino's family and uniquely refined the concept. There are a grand total of 70 independent Mancino's restaurants across the Midwest that operate from these same recipes. Our goal is to impress each customer with our delicious made-from-scratch food, our quick service and our friendly staff. We appreciate your patronage and continued support since 1997.

The term "Grinder" can be traced back to the East Coast where, during WWI, Italian immigrants set up sandwich shops close to the shipyards. Their freshly baked Italian rolls were filled with generous amounts of meats and cheeses and were then baked and garnished with lettuce and tomato.

These super-sized sandwiches were a favorite of the hard working men who ground rivets off the metal warships. The friendly shop owners referred to the men as "grinders", and the ever popular sandwiches also came to be known as **grinders**.
